

Gustavo Luévanos

Summer 2023 Internship

Saltillo, Coahuila, México • +52 1 844 183 4547 • gustavoluevanos01@gmail.com • [linkedin.com/in/gustavoluevanosa](https://www.linkedin.com/in/gustavoluevanosa)

As a senior student with an outstanding academic background, I have a varied range of technical skills, including competence in SolidWorks, Minitab, and Magmasoft. I possess a solid understanding of technical concepts thanks to my schoolwork, and I have shown the ability for problem-solving and critical thinking in a variety of contexts. Even though I do not yet have any official work experience, I am eager to use my skills and knowledge in a challenging starting position.

ACADEMIC EXPERIENCE

Student Chapter Member
